REQUEST FOR NO FURTHER ACTION AT IR SITES 4 AND 6, U. S. NAVAL WEAPONS STATION, SEAL BEACH

Dear Ms. Tamashiro:

We have completed our review of the above-referenced document, dated September 29, 2005, which we received on October 3, 2005. Based on the results from the March 2005, Final First Annual Groundwater Monitoring Report For IR Sites 4, 5, 6 and 7 and the above-referenced document, IR sites 4 and 6, do not appear to be a threat to the beneficial uses of the surface water or groundwater.

We concur with your request for no further action at IR sites 4 and 6.

If you should have any questions, please call me at (951) 782-4498, or send e-mail to phannon@waterboards.ca.gov.

Sincerely,
